

Unclaimed checks

Darke Rural Electric Cooperative is attempting to locate current and former cooperative members who earned, but have not claimed, patronage capital. These checks were returned to our office for various reasons.

Please read through the list of names. If you know a person on the list, or know a relative, please have that person contact our office at 937-548-4114 or toll-free 1-800-776-5612. According to Darke Rural Electric's Code of Regulations, if a former cooperative member fails to claim patronage capital within four years of issuance, these monies will be reassigned to present cooperative members. The deadline to claim the 1991 patronage capital is Sept. 1, 2010. Keep in mind, if you move from Darke REC lines, be sure to let us know your forwarding address for future contact.

Energy Efficiency

Tip of the Month

Properly hooking up your clothes dryer can help save on energy costs. The outdoor dryer exhaust door should close when the dryer is off. Check to make sure the dryer vent hose is tightly connected to the dryer and also to the inside wall fitting. The vent hose should not be kinked or clogged.
